MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT: Transfer of Positions from Management Staff to Logistics Office

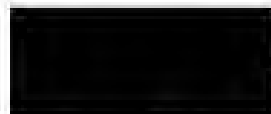

1. At the present time there are three microphotographer positions on the T/O of the Management Staff which should be on the T/O of the Printing and Reproduction Division, Logistics Office. The Printing and Reproduction Division is engaged in microphotography already, and we believe that they should have it all.

2. It is therefore proposed that the following positions and incumbents together with the personnel ceiling and funds be transferred from the Management Staff to the Printing and Reproduction Division, Plant No. 2, Logistics Office:

<u>Name</u>	<u>Grade</u>	<u>Slot No.</u>
	GS-5	M 404
	GS-4	M 405.03
	GS-4	M 405.02

3. The Logistics Office has concurred in this proposal.
